NRO Memo to DD/R from AC/DPD, JA C, Jr.  
Subj: Physical Structure of National Reconnaissance Office

✕ "... Assuming that our biggest concession to date is to yield the chairmanship of NRO to Dr. Charyk and thus to Air Force, we should seriously consider capturing the Chief of Staff position lest our contribution to the Office be so fully subordinated to Air Force interest that our only influence is felt through your relationship with Charyk. ...

ILLEGIB  
... I do not argue ILLEGIB  
that it need be an Agency civilian in the job, although there is no reason why it could not be; but certainly if it is a military man, I would suggest he be on our payroll seconded to the NRO and thus responsible to our policy views...."
